

DFWAE Events and COVID-19 -- Updated July 10, 2020

DFWAE as always puts the health and well-being of its members in first place and we recognize that this is a rapidly evolving situation.

DFWAE puts the health and well-being of its members in first place. We are closely monitoring advisories and updates from the CDC and the WHO as well as other healthcare and regulatory organizations. At this time, all in-person DFWAE events will be converted to virtual format through November 2020. Please forgive any short notice on event registration as we work to finalize speakers and schedules.

Thank you for your continued support of DFWAE.

How can we help?

For more than two decades, DFWAE has been an educational resource for the association industry. Our goal to be a relevant source of knowledge and information is now more important than ever. We value feedback from our association professionals, CVB staff members, hoteliers and other companies that provide products and services to associations. What can we do to help you through this challenging time?
