

New Distinguished Speaker Series Launches Oct. 29

Texas CASA is excited to launch the **Distinguished Speakers Series**, a new, advocacy-focused learning opportunity for the CASA network and other community partners involved in the child welfare system. The multi-part series will feature high-caliber speakers sharing their expertise on topics and issues impacting the child welfare system and how we can all enhance our advocacy for children and families involved in the system.

The series begins on **Thursday, Oct. 29**, with Dr. Jessica Pryce and wraps up on **Wednesday, Nov. 18**, with Professor Ibram X. Kendi. The full schedule and speaker bios are below.
